To the recommender: Saint Peter's Prep is a Catholic, Jesuit school for boys located in historic downtown Jersey City founded in 1872. Prep is a diverse school community whose students come from over 100 cities and towns and over 200 schools in the area. The course of studies is rigorous and requires a significant dedication to student work both inside and outside of the classroom. In addition to developing their academic competencies over four years, Prep students are afforded many different opportunities for personal development and growth through our activities, athletic, retreat and service programs. Inspired by our mission, we hope to educate and form young men in their high school years who are intellectually competent, open to growth, religious, loving and committed to doing justice.
